Internal Memorandum

To: All NAS staff
c.c.: NAS Leadership Team
From: Medical Director
Date: April 28th 2015
Subject: **POLICY – MANAGEMENT OF ADVERSE CLINICAL EVENTS - NASCG003**

This policy is due for revision in May 2014. NAS are currently reviewing clinical incident reporting and incident management structures and processes, and as part of this review, it is anticipated that the policy will also be extensively revised.

To allow the review process to be completed, I am extending the use in its current form of **Management of Adverse Clinical Events NASCG003** to December 31st 2015.

Dr Cathal O'Donnell,
Medical Director.
