

Vision

Providing direction and support to enhance the interests, health and wellbeing of retirees of the National Ambulance Service.

Mission

A volunteer led, non-profit Organization of retired National Ambulance Service Personnel, working together to improve the quality of the lives of our members

Core Values

- **Integrity** – acting with openness and honesty
- **Open communication** – all members are encouraged to openly and honestly share their opinions and views in a democratic way
- **Unity** – ensuring the continuation of friendships gained over years and to establish new friendships through our National Association.
- **Respect** – treat members with mutual respect and value their participation
- **Passion for results** – pride, enthusiasm and dedication in everything we do
- **Excellence** – dedicated to satisfying members needs and honoring commitments made to them
- **Teamwork** – support with respect of each other's efforts to meet our shared goals
- **Accountability** – accepting responsibility for one's actions in line with constitution
