

<p>1</p>	<p>In the main window display, press the multifunction button next to the Return Arrow key as many times as needed to bring you to the final menu page.</p>	
<p>2</p>	<p>Press the Auto CasePush quick access key</p>	
<p>3</p>	<p>Confirm by pressing “Continue” in the pop-up window. This will close the current case and uploads the last 5 cases, unless already done. If this procedure is done after each call, there will only be the most recent case to upload</p>	
<p>4</p>	<p>You will see the “Disclosure Log Transfer” window and the progress of the CasePush.</p>	
<p>5</p>	<p>Once completed the Green transmission LED will turn off and the device will power off</p>
